## RED WINE

### MT LANGI CLIFF EDGE SHIRAZ

GLS 15.00 // BTL 60.00

2017 // McLaren Valley

#### Notes

Where do you begin with this wine. Mt Langi was one of the pioneers in Australia of "cool climate Shiraz". When most other wineries were increasing their alcohol content and residual sugar, these guys were pushing elegance and power. Naturally palates change and now it's about finesse.

The hallmarks of this wine is it's dark spice core, melting tannins and an unusual pink musk character. Affectionately known as "Baby Langi" it's the little brother of the famous Ghiran brother.
